

**CHILDREN AND WEIGHT:
TAKING ACTION IN THE RIO VISTA COMMUNITY
December 2003**

Home and Family Environment

The three priority actions:

- 1. Need more centralized activities**
- 2. More supervised activities**
- 3. Parenting support/classes**

Action 1: Need more centralized activities

What steps need to be taken to address this action?	Who are the key people that need to be involved?	What resources and support are needed to make this change?
<ul style="list-style-type: none">• Decide what activities-focus?• Location for activities• Talk with agencies• Who to facilitate/coordinate• Include private sector	<ul style="list-style-type: none">• City government• School board• Kids/parents• Businesses• Volunteers• Mayor	<ul style="list-style-type: none">• Money• Facilities• Volunteers• Political-will participants

Developed at the *Children and Weight: Taking Action in the Rio Vista Community* forum on December 4, 2003.
Sponsored by the Children and Weight Coalition of Solano County.
Funded by The California Endowment.
