

2010 TOMATO FESTIVAL VENDOR INFORMATION

The Fairfield Main Street Association invites you to be a food vendor at our annual Tomato Festival, held in our historic city center.

The Fairfield 19th Annual Tomato Festival began by celebrating Solano County's leading agricultural heritage. The main venue of the Tomato Festival is Tomato Alley, featuring over 100 varieties of heirloom tomatoes grown by Tenbrink Farms. Along with the many diverse vendors, the Tomato Festival also features live entertainment, children's activities, cooking demonstrations, tomato-eating contests, beer and wine garden, and a food court. This year, we are asking our vendors to play a bigger role in our Tomato Festival by having tomato-related or themed items for sale and display in their booths. There were approximately 30,000 people that attended the Tomato Festival last year and we expect to have the same amount this year.

The Fairfield Main Street Association looks forward to receiving your application as a food vendor for our Tomato Festival this year. If you or your company prefers to become a sponsor instead of a vendor for the event, please contact the Fairfield Main Street Association at 707.422.0103 for more information. You can also visit our website at www.fairfielddowntown.com to download the information directly.
