Yes, El Cerrito High School as we all know it will soon be a memory. The rebuilding process starts in the summer of 2005. Come by the school for a last look. We are starting to document the present day buildings and will keep that documentation ongoing. If you have any old pictures of the school that you would like to add to our website, please scan and send, and we will post the ASAP. Please direct your email to Roddy Lee-Class of 1967-- ECHSrebuilt@aol.com
