**It's Time to BARBEQUE!!!**

Summer is almost here, it's time to bring home a little bit of the past from Leon's Bar-B-Q of San Francisco.

Leon's Bar-B-Q restaurants are where large portions and a friendly smile were the standing order. Whether it was having ribs at Leon's at the beach, or at the Fillmore, both were an experience to remember. Leon's is now a landmark in everyone's memory, but its great taste and flavor can still be found at your local market.

So pick up a bottle of Leon's Award winning Bar-B-Q sauce this week, and bring a little magic to your barbeque. With its great taste, you'll be part of the tradition that started in 1963.
