Hi Steve

We worked out a few details with GoDaddy and building our new web site.  
We now have full access to GoDaddy and our account.

- 1.) We paid GoDaddy \$239.40 for 5 years of hosting.
- 2.) We are leaving the old web site up until the new web site is built. No Migration.
- 3.) We set up a sub-domain for you to create a new web site via remote access.
- 4.) FTP Credentials: IP address: 107.180.4.52  
User name: garson1  
Password: #Stevewebguy1
- 5.) As per our last discussion in our office, you are going to send me an FTP drop box in order for me to send you information for the web site. Pictures, Text, About Us.  
Please respond that you received this email.

Thank you,
